**Subject : Educational Scholarship**

Dear Sir/Madam,

World Brotherhood Organisation (Regd.), an international, voluntary, non-profit, non-political organization, founded in 1999, took upon itself the motive of working for the humanity as a whole, irrespective of caste, creed or religion. The organization is engaged, through discreet efforts, in the charitable as well as social welfare activities since its inception.

Literacy is the key element for the successful life and education is the most powerful tool to develop it. Education is self empowerment that imparts power of hegemony to the individual and a sui generis status in the society. Unfortunately, financial constraints sometimes suppress one's talent in life.

To cater the financial needs of underprivileged class for education and with a view to motivate their children to undertake their post-school education, the World Brotherhood Organisation (Regd.) has pronounced a scheme for grant of educational scholarships, the detailed guidelines of which are enclosed with this communication.

Through this communication, we request you to identify the bonafide eligible students from your institution, who are not availing financial assistance/ Scholarship from any other agency, for this scholarship and forward their applications for the academic year 2015-2016 to the Secretary General, World Brotherhood Organisation at the above-mentioned address. We are sending a few Scholarship Application Forms with this letter which should exclusively be used for the students of your institution.
